Welcome to KEY WEST

Key West Attractions Association
Committed to Excellence

The Key West Attractions Association makes Key West vacations great. In a commitment to excellence in family entertainment, the members of the Key West Attractions must meet and maintain quality standards of cleanliness, safety, truth in advertising, hospitality and proper complaint resolution. What's your attraction to Key West? The island lifestyle, laid-back and relaxed? Ocean views, swaying palms, the flavors of the sea? The excitement of watersports by day and wild life by night? The step back in time to a swashbuckling era of pirates and treasure-laden shipwrecks? Or is it the local color? The oranges and purples of our famous sunsets, the green of banana leaves, palm fronds and sea turtles, the blue and turquoise of the water surrounding our island? So come and experience all that this tropical island paradise has to offer.

KEY WEST
ATTRACTIONS ASSOCIATION

We are truly one of the world's most popular vacation destinations. Key West vacations offer a unique combination of fun and sun, land and sea, as well as excitement day and night.

Come and take a stroll through historic Old Town and see hundreds of examples of 19th century architecture. Sail just seven miles offshore and experience North America's only living coral reef. Tour the homes of Hemingway and Harry Truman. Enjoy deep-sea and flats sports fishing, boating, diving, snorkeling and jet skiing. Join the sunset party on a pier or the water. Visit some of the most unique museums in the U.S. And, experience our heritage in art galleries, shops, hotels and restaurants designed to suit every style and taste.

According to legend, once Key West sand gets in your shoes, you'll return again and again. We think the variety of attractions and the laid-back feeling also have something to do with it. Come to Key West, an island paradise where one visit will lead to many more.
