MORE OFFERS ON BACK!

A Note from Us...

We welcome you to Key West! For almost 40 years, the Key West Attractions Association has successfully promoted Key West as a popular world-wide destination.

By its mission the Key West Attractions Association has fostered and cultivated the social, educational and business relations of our members. We strive to broaden our member's interests in the pursuit of their occupations and to improve their standards of efficiency. As a group we work together to promote cooperation in all matters of interest to their businesses. We also maintain higher standards in business dealings and as a result have the ability to effectively correct trade issues in our industry.

While you are here we invite you to take a stroll through historic Old Town and see hundreds of examples of 19th century architecture. Sail just seven miles offshore and experience North America's only living coral reef. Tour the homes of Hemingway and Harry Truman. Enjoy boating, diving, snorkeling and jet skiing. Join the sunset party on a pier or the water. Visit some of the most unique museums in the U.S. Experience our heritage in art galleries, shops, hotels and restaurants designed to suit every style and taste.

All members of our service industry rely on gratuities as part of their daily lives. **If you have a good time during one of your excursions please show them some appreciation.**

Thank You!
