Hi There,

We're thrilled to let you know that our annual promotion, Kids Keys Deals, is back this Fall! This is a great chance to boost interest during the slower season.

We'd love for you to join us in making this promotion a hit. You can offer special deals like no or low-cost meals, discounted activities, or complimentary items/accommodations for kids 12 and under when an adult purchase is made. Or get creative with your own unique offer!

The promotion will run from September 3rd to October 15th, 2024, and will be highlighted on KidsKeysDeals.com. Customers can download redeemable coupons for your offers. We'll be promoting the event through media, digital channels, and social media to ensure it gets plenty of attention.

If you'd like to participate, just fill out the attached form and send it back to Monica Munoz either by mail or email at director@keywestattractions.org. We can also provide branding materials to help promote on your website. If you prefer, you can offer your deal through a direct link on your site instead.

Feel free to reach out if you have any questions. We're excited to have you on board and appreciate your support!

Monica Munoz
Executive Director
